COLOUR TRENDS 2018

COLOUR TRENDS 2018

Arctic Adventures

The Arctic Adventures colour collection was inspired by the fascinating natural Northern scenery with its sublime, warm and soft accents. It is the start of an adventure through the unspoilt plains, ending with rosy winter cheeks in a warm, homey atmosphere. Get bundled up and enjoy our tender delicate selection with a cup of hot chocolate in your hand.

The colours **Winter Blush**, **Frost Green** and **Heather Purple** were created to be combined with a selection of our standard RMC Oil Plus 2C colours, such as Bourbon, Cotton White, Mud Light and Slate Grey.

COLOUR TRENDS 2018

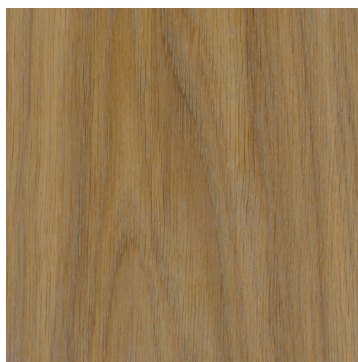

Eastern Encounters

The Eastern Encounters colour collection was inspired by the mysterious Eastern culture and its remarkable colour richness. Our stylish colour selection is a warm meeting with their unique balance between energy and relaxation. Whether it is morning or evening, these colours always bring out the best in you. Reveal their mysteries and enjoy these adventurous colours every day.

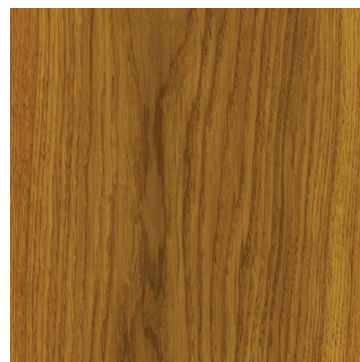

The colours **Teal Blue**, **Pomegranate Pink** and **Rusty Brown** were created to be combined with a selection of our standard RMC Oil Plus 2C colours, such as Mahogany, Oyster and Pine, but also with one of our Trend Colours 2017: Midnight Indigo.

RUBIO® MONOCOAT, KING OF COLOURS

Rubio® Monocoat has been the king of colours on wood since 2005, and after the great success of our RMC Colour trends 2017 in the past year, we are happy to introduce to you our **RMC Colour Trends 2018**. Based on the colour trends for interior design, we again developed some gorgeous collections; this time split up into two different atmospheres. Each collection is a mix of new trend colours with existing RMC Oil Plus 2C colours.

Request a sample today and discover the abundance of our trend colours! Or ask your local distributor for our 2 types of Colour Trends 2018 colour fans.

OUR NEW COLOURS:

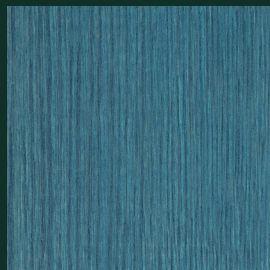

Winter Blush

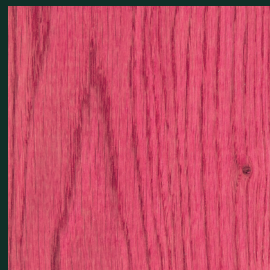

Frost Green

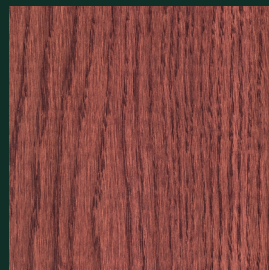

Heather Purple

of 2018!

RUBIO® MONOCOAT OIL PLUS 2C

A next-generation product that colours and protects your wood in 1 single layer. The combination of the oil (A) and the accelerator (B) ensures a quick dry, quick cure and superior protection. **Available in single bottles: 20ml - 100ml (Comp. B must be added) and in sets (duo can A+B): 350ml - 1,3L - 3,5L.**

THE UNIQUE CHARACTERISTICS:

- Colours and protects in one layer
- 40 standard colours
- Enhances the natural look and feel of the wood.
- Environmentally friendly: 0% VOC!
- Does not contain any water or solvents.
- Easy to maintain.
- No overlaps or starting marks.
- Minimal use: 30 - 50 m²/liter.
- Can be applied to all wood types, furniture as well as floors.
- Very wear-resistant.
- Water- and heat-resistant, ideal for kitchens and bathrooms.
- Very fast curing: 80% in 2 days.
- A short 'dry' maintenance period: after 5 days, the surface can be cleaned with water and RMC Soap.
